It is with mixed feelings that after practicing for 28 years, on the corner of Oak and Judah in Roseville that I will be closing this office as of December 31, 2022. I will be joining Granite Pointe Eye Care by the first of January 2023. They are located at 9221 Sierra College Blvd #130 in Roseville. The office number is 916-797-6747. As it takes time to transfer electronic health records, waiting until the end of December to contact me at the new office would be helpful. I realize this announcement seems rather abrupt as there were many factors I had to consider. It has been an honor and privilege to serve so many patients that have enlightened my life over the years. You've brought me much joy by allowing me to take care of your vision needs. I look forward to this next step that will allow me to spend more time with my wife, children and grandchildren. I will only be able to see patients through November 30, 2022, at my current address while this transition is happening. I ask for your patience as this process takes place.

We will be having a close out sale of all our frames. There will be no warranty available but you will be buying great frames at the lowest prices ever!!!! Insurance will not be able to be used. Maui Jim excluded. Please call for any appointment. 916-783-8131

We will be having an open house at the office on Thursday, December 8th from 8am to 6pm. We hope you will join us. Sincerely, Dr. Baker and Staff
